

## **Privacy Policy**

### **Type of Information Collected**

For the purposes of using blogs, forums, and other interactive services provided on my website and/or other community platforms, I may receive, collect, and store any information you enter. This information can include Internet protocol (IP) addresses, e-mail addresses, or other information you enter. Page interactions, responses, comments, posts, personal profiles, and browsing information may be collected.

### **How Information Is Collected**

Information is collected when you complete a post, comment, or interaction within a community or website testimonial. Information is also collected when you create a profile to become a member on my website to include details such as your name, e-mail address, username, and password. Additional information may be collected when you submit a contact including your name, e-mail address, and message using the contact form or other messaging forums on my website. Personal information is only collected for the purposes of successfully created a member account, community participation, and contact form/message form submission by the website user/member.

### **Non-Personal and Personal Information Collection**

Non-Personal and Personal Information may be collected solely for the purpose of operating services on my website, providing customer support, comply with laws and regulations, and provide personalized experiences for my website members.

### **How Information Is Stored**

My company is hosted by [wix.com](https://www.wix.com) which provides me with a platform that enables my services for data storage, databases, and [wix.com](https://www.wix.com) applications. They store and secure all of your data on their servers using a firewall. Should services be provided in the future requiring payments to be made, my company adheres to the standards set by the PCI-DSS managed by the PCI Security Standards Council to ensure your credit card information is stored securely.

### **Communication Privacy**

Communication regarding your account, resolving disputes, community/post related inquiries, polling questionnaires, or personal messaging to address user agreements of my company, laws, or platform may be implemented via email or website messaging systems for these purposes.

### **Cookies and Tracking**

Due to the use of link sharing, blog posts with links, and community link sharing by members on my website, various cookies and tracking tools may be found. These may include third-party applications, Google Analytics, or Wix Applications that collect your personal information. My website is not responsible for the cookies or information collected through third party links posted by you or other members on my website.

The cookies I use collect your information solely for the purpose of protecting users from fraud, increasing the security of my website, system effectiveness measurement, indicating system site rendering, and user login information.

### **Withdrawing Consent**

If you no longer want my website to process your data, please contact me using the contact form on the home page or the applicable email listed on the 'Contact' Page of my website.

### **Privacy Policy Updates**

I reserve the right to modify or update this privacy policy at any time, so please review it frequently. Changes and clarifications will take effect immediately when posted on my website. If material changes are created to this policy, I will notify you of those changes so you are aware of how information will be collected, used, and under what circumstances.

### **Questions and Contact Information**

If you have any questions or would like to access, delete, or correct personal information I have about you, please contact me using the contact form on the home page or the applicable email listed on the 'Contact' Page of my website.
