

## **Privacy Policy**

### **Type of Information Collected**

For the purposes of using the blog, forum, and other interactive services on our website, we may receive, collect, and store any information you enter. This information can include Internet protocol (IP) addresses, e-mail addresses, or other information you enter. Page interactions, responses, comments, posts, personal profiles, and browsing information may be collected.

### **How Information Is Collected**

Information is collected when you complete a post, comment, or interaction within a blog community or forum community. Information is also collected when you create a profile to become a member on our website to include details such as your name, e-mail address, username, and password. Additional information may be collected when you submit a contact for including your name, e-mail address, and message using the contact form or other messaging forums on our website. Personal information is only collected for the purposes of successfully created a member account, blog post participation, forum participation, and contact form/message form submission by the website user/member.

### **Non-Personal and Personal Information Collection**

Non-Personal and Personal Information may be collected solely for the purpose of operating services on our website, providing customer support, comply with laws and regulations, and provide personalized experiences for our website members.

### **How Information Is Stored**

Our company is hosted by [wix.com](http://wix.com) which provides us with a platform that enables our services for data storage, databases, and [wix.com](http://wix.com) applications. They store and secure all of your data on their servers using a firewall. Should services be provided in the future requiring payments to be made, our company adheres to the standards set by the PCI-DSS managed by the PCI Security Standards Council to ensure your credit card information is stored securely.

### **Communication Privacy**

Communication regarding your account, resolving disputes, forum/blog post related inquiries, polling questionnaires, or personal messaging to address user agreements of our company, laws, or platform may be implemented via email or website messaging systems for these purposes.

### **Cookies and Tracking**

Due to the use of link sharing, blog posts with links, and forum link sharing by members on our website, various cookies and tracking tools may be found. These may include third-party applications, Google Analytics, or Wix Applications that collect your personal information. Our website is not responsible for the cookies or information collected through third party links posted by you or other members on our website.

The cookies we use collect your information solely for the purpose of protecting users from fraud, increasing the security of our website, system effectiveness measurement, indicating system site rendering, and user login information.

## **Withdrawing Consent**

If you no longer want our website to process your data, please contact us using the contact form on the home page.

## **Privacy Policy Updates**

We reserve the right to modify or update this privacy policy at any time, so please review it frequently. Changes and clarifications will take effect immediately when posted on our website. If material changes are created to this policy, we will notify you of those changes so you are aware of how information will be collected, used, and under what circumstances.

## **Questions and Contact Information**

If you have any questions or would like to access, delete, or correct personal information we have about you, please contact us using the contact form on the home page of our website.
